Form 990, Part III, Line 4a - First Accomplishment In the year 2024, our Foster Care and Adoption Services program continued its unwavering commitment to transforming the lives of vulnerable youth and families in Arizona. Throughout the year we extended our reach and impact through a range of strategic initiatives and heartfelt engagements. 1. Comprehensive Training and Support: \* Serving multiple families over several training sessions, our objective was to equip families with the essential knowledge and skills needed to provide a nurturing and stable environment for Arizona's most vulnerable youth. By offering specialized training and ongoing support, we aimed to strengthen family bonds and promote healthier outcomes for children in the foster care system. Long term goals: Our Long-term goal revolves around building a robust community of empowered caregivers who are capable of fostering positive change in the lives of children. By ensuring that families recieve the guidance they need, we aim to create a sustainable support network that extends far beyond their immediate engagement with our organization. 2. Successful reunifications and adoptions: With hundreds of individuals served, dozens of fostered children, and several families reunified and children adopted, we have remained dedicated to achieving stable and loving homes for children by facilitating reunifications and adoptions. Our specialized approach allowed us to successfully reunify multiple families, reuniting children with their biological family whenever possible. Additionally, we have had several successful adoptions completed, providing permanent and secure families for children who had experienced uncertainty. Long Term Goal: Our overarching goal is to significantly contribute to reducing the number of children in the foster care system by facilitating successful reunifications and adoptions. By focusing on individualized plans with extensive support, we strive to minimize the time children spend in foster care and maximize the opportunities for lifelong stability. 3. Community engagement events. Over the course of several events with hundreds of youth beneficiaries, we aimed to raise awareness about foster care and adoption while celebrating the resilience of children and families in our program. Our long term goal is to foster a culture of community engagement and support for children and families involved in the foster care and adoption journey. By hosting annual events, we seek to increase public understanding of the challenges faced by these families and generate greater empathy and involvement from the broader community. In 2025 we continued to stand as a beacon of hope for children and families, striving to create lasting positive impacts through our foster care and adoption services program. Through comprehensive training, successful reunification and adoptions, and community engagement, we move
